

Saudi Arabia New Khobar Show Room

Head News 2009:

HDL Operation Saudi Arabia Has Established Another Location in the Eastern Province in the City of Al Khobar. This Location Show Room is yet to be one of many in Pipe line to serve the Huge Saudi Demand for Smart Home and Automated Buildings.

Saudi Arabia is considered the Main Supporter for Smart-HDL Products and are Embracing the Smart-BUS Technology full heartedly.

Saudi Arabian Economic Market is One of the few stable world Markets that were not even affected by the Economic Recession that started 2008.

Green Building is one main Direction that Saudi Arabia is targeting. Smart-HDL Green Building Technology with its Social and Life style advantages has taken this vision into New Dimensions of Green High Definition Living. Today Saudi Arabia Rabigh, Yanbu and Jubail Projects are tangible examples of such movement towards this direction.
